### A Very Special Birthday!

On September 18th, we remembered the birth of Gracia Rae Maille. She would have been celebrating her 8th birthday had she not been called to heaven at just four months old. If you are not familiar with the story of why For the Love of Grace was founded visit our website for more information.

### A HUGE Thank You!

Thank you to everyone who made our first Fund Raiser Dinner and Silent Auction a success! We had a wonderful turnout and many awesome volunteers who helped to make it happen. We can't thank you enough for your ongoing support!

If you were unable to join us this year, we hope to be able to hold another one next year.

### Adopt a Family Christmas Outreach

With the holidays fast approaching we are starting to look for families that are willing to adopt a family for Christmas this year. We reach out to families that we have helped in the past who are likely still struggling due to their child's ongoing illness to see if we can bless them with a food basket and gifts for their children for Christmas. If you are interested in adopting a family this Christmas please email us at [info@loveofgrace.org](mailto:info@loveofgrace.org) for more information.

# 3rd Annual Celebration of LIFE!

This year our meal was generously donated by Mimi's Café!

We enjoyed a beautiful time of fellowship as the heavens opened up and poured down rain!

The kids enjoyed playing with hoola hoops, bubbles, and other fun things.

All the kids enjoyed taking their turn hitting the piñata!

We had an awesome face painter donate her talents to us in order to delight the kids!

We added something new this year and through generous donations we were able to give away backpacks full of supplies to all the children and their siblings! We gave away over 30 backpacks!

It was our honor to celebrate these children and give them balloons, certificates, and gift bags.

We LOVE each one of these families more than words can say!

We had 13 families attend our Celebration of Life this year! We were truly blessed to be able to share an afternoon with them!
